Dear XXX,

I'm emailing as your constituent and as one of the ###,### to ###,### **STATE NAME** (example: 21,000 to 52,000 *Arizonans*) disabled by the debilitating neuro-immune disease Myalgic Encephalomyelitis, commonly known as Chronic Fatigue Syndrome or ME/CFS. I am writing to request your co-sponsorship of House Resolution 399 for International ME/CFS Awareness Day (<https://www.congress.gov/bill/116th-congress/house-resolution/399?q=%7B%22search%22%3A%5B%22Me%5C%2F%22%5D%7D&s=1&r=1>).

The Senate passed this bipartisan Resolution by unanimous consent in May and I am now seeking your support in co-sponsoring it on the House side. Although the House version isn't expected to pass, due to a long-standing House rule against single-disease resolutions, it nevertheless means so much to our community to receive this bipartisan show of solidarity from our elected representatives in Washington. Current co-sponsors include Rep. Lofgren (D-CA), Rep. Bergman (R-MI), Rep. Joyce (R-OH), Rep. Wasserman Schultz (D-FL), Rep. Lesko (R-AZ), Rep. Kirkpatrick (D-AZ), Rep. Neguse (D-CO), Rep. Schweikert (R-AZ) and Rep. Stanton (D-AZ). Please contact Priscilla Kim in Rep. Lofgren's office at 225-3072 or contact Kelsey Fetzer in Rep. Bergman's office at 225-4735 for more information and to join your above House colleagues in co-sponsoring this symbolic legislation.

Thank you very much for your time, attention, and thoughtful consideration of this important request. Please let me know if I may count on the Representative's support.

Very sincerely,
