

**My Illness and I: A Less Affair.**

Me

Use-less. Help-less.  
Life-less. Breath-less.  
Hope-less.  
But also Death-less.

It

Ruth-less. Heart-less.  
Love-less. Sense-less.  
Unforgiving.  
Cold and Reckless.

We

Dance together.  
Joy-less. Rest-less.  
All-forgotten.  
Win-less. Blessed-less.
