

this is

this is my foot
this is my thumb
am i my pieces?
scattered and numb
lost in the details
dizzy and dumb
am i my pieces?
all foot and all thumb

this is my bed
this is my room
am i my places?
sanctuary and tomb
tucked in the corners
stillness and doom
am i my places?
all bed and all room

this is my world
this is my life
am i my dreams?
broken and knifed
drunk on distress
melted in strife
am i my dreams?
oh world
oh life
